

QuickFrame

Do more with video.

No Shoot Necessary

In response to the need for social distancing, we've put together the following selection of video formats that require no production crews or in person filming to complete.

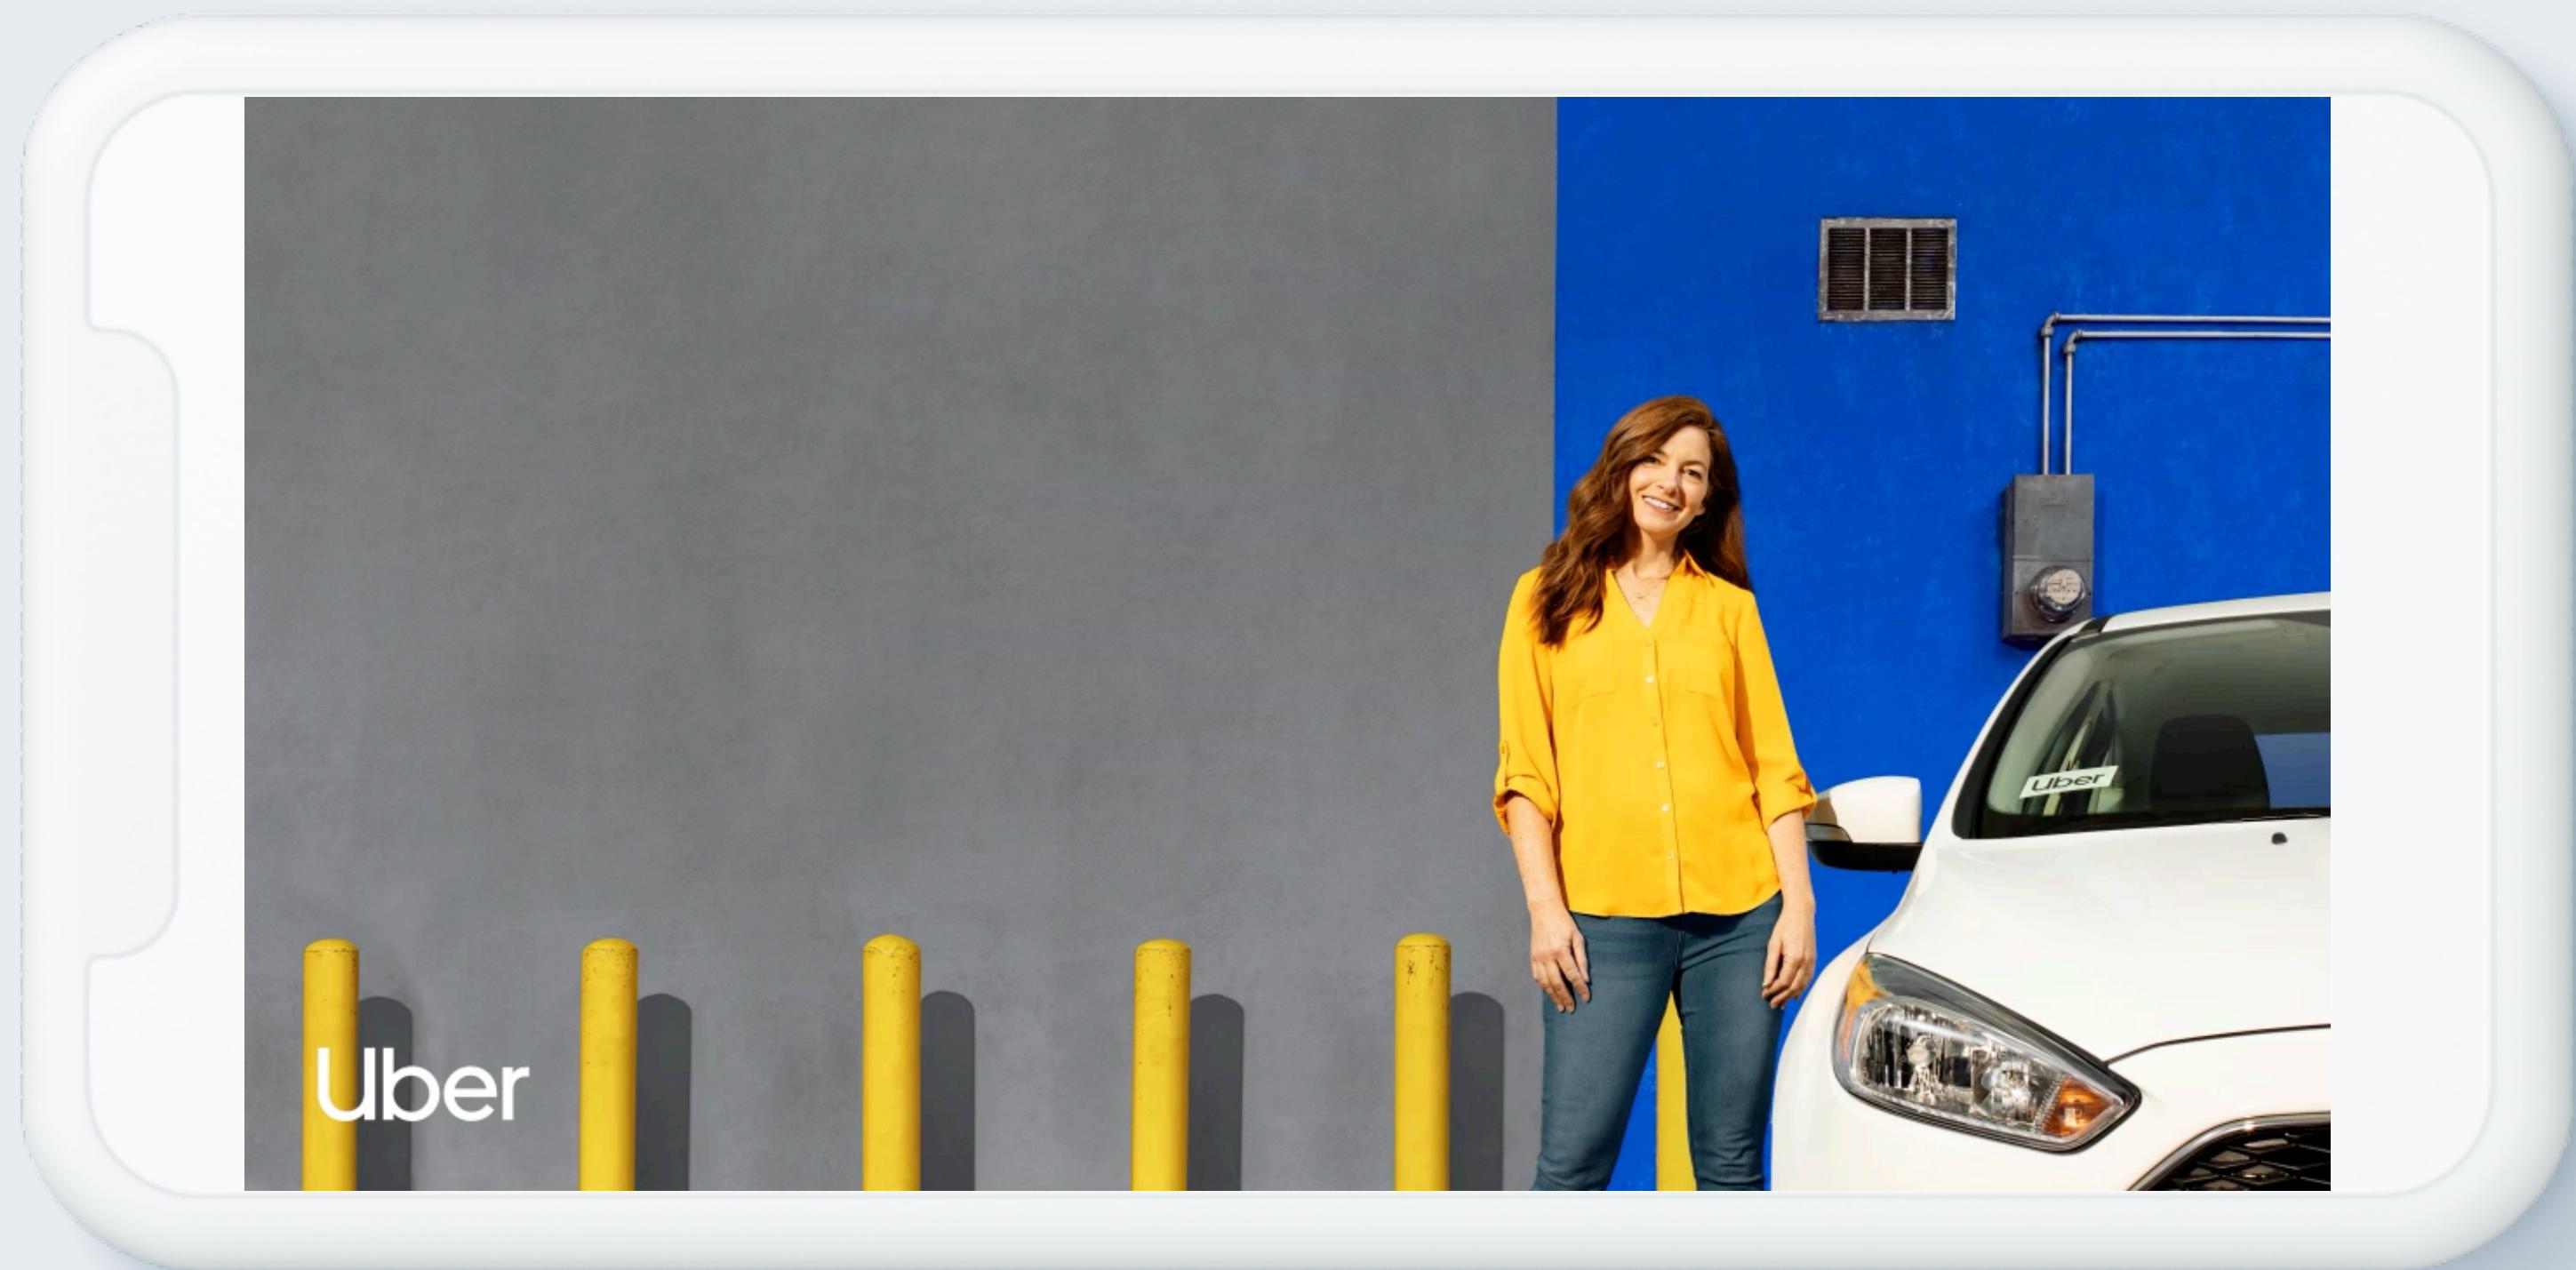

We're offering a **15% discount** on all of these options.

Existing Photo / Stock Photo Direct-Response Video

~~\$200~~ \$170

Use-Case

Acquire new users/customers or drive traffic to designed landing pages with simple animated videos with custom CTA and copy. Produced using existing stock or brand photographer, with layered design + animation.

Product Display GIF

~~\$300~~ **\$255**

Use-Case

Acquire new users or customers via Display Marketing with customizable GIFs that feature custom brand design and copy, along with existing product photography that moves the way you want it to.

Existing Photography Product Highlight Motion-Graphics

~~\$1,750~~ \$1,490

Use-Case

Bring your existing product photography back to life via premium motion-graphics animation that can highlight specific product visuals or features.

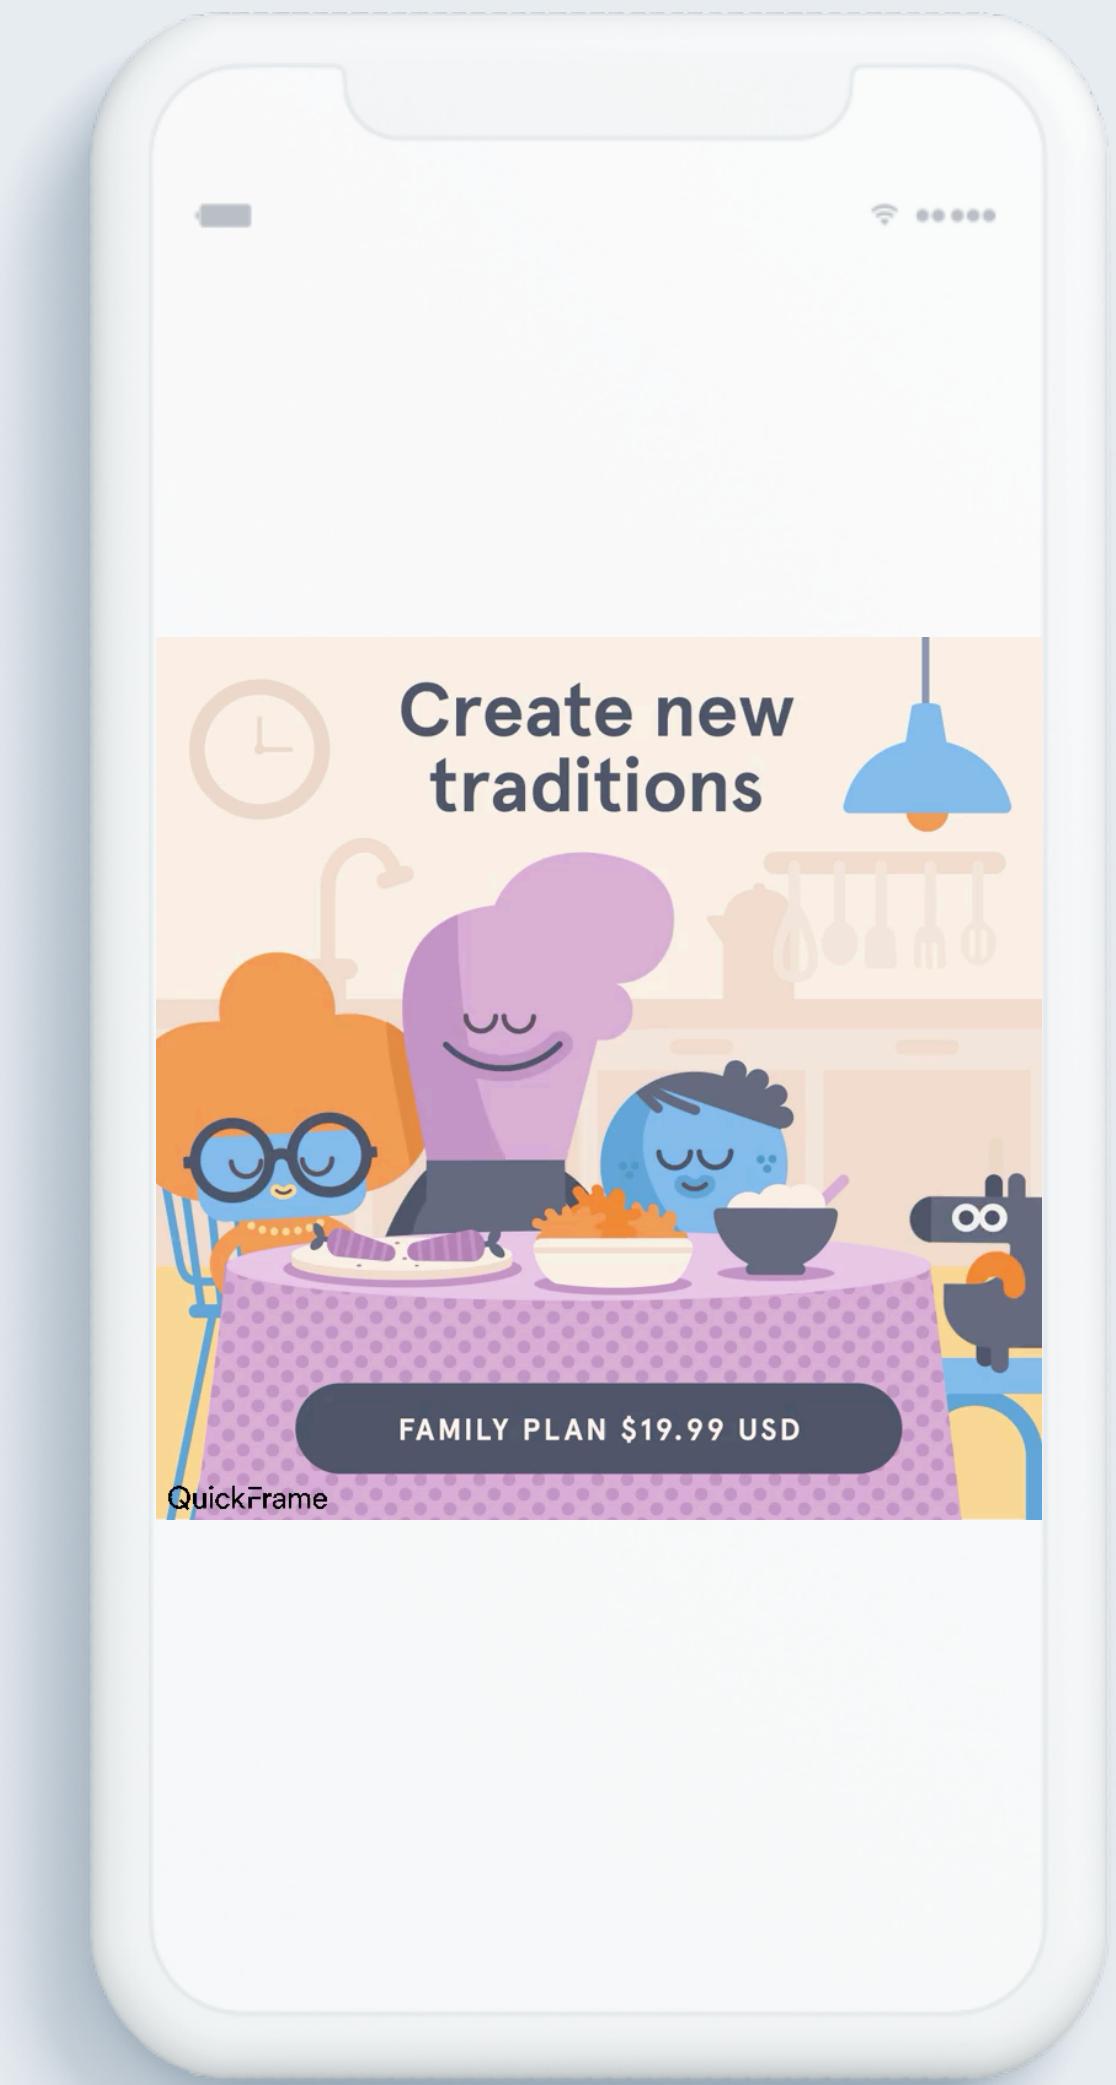

Short-Form Animated Direct-Response Video

~~\$2,500~~ **\$2,125**

Use-Case

Acquire new users/customers with a short and to-the-point animated video designed for Performance Marketing.

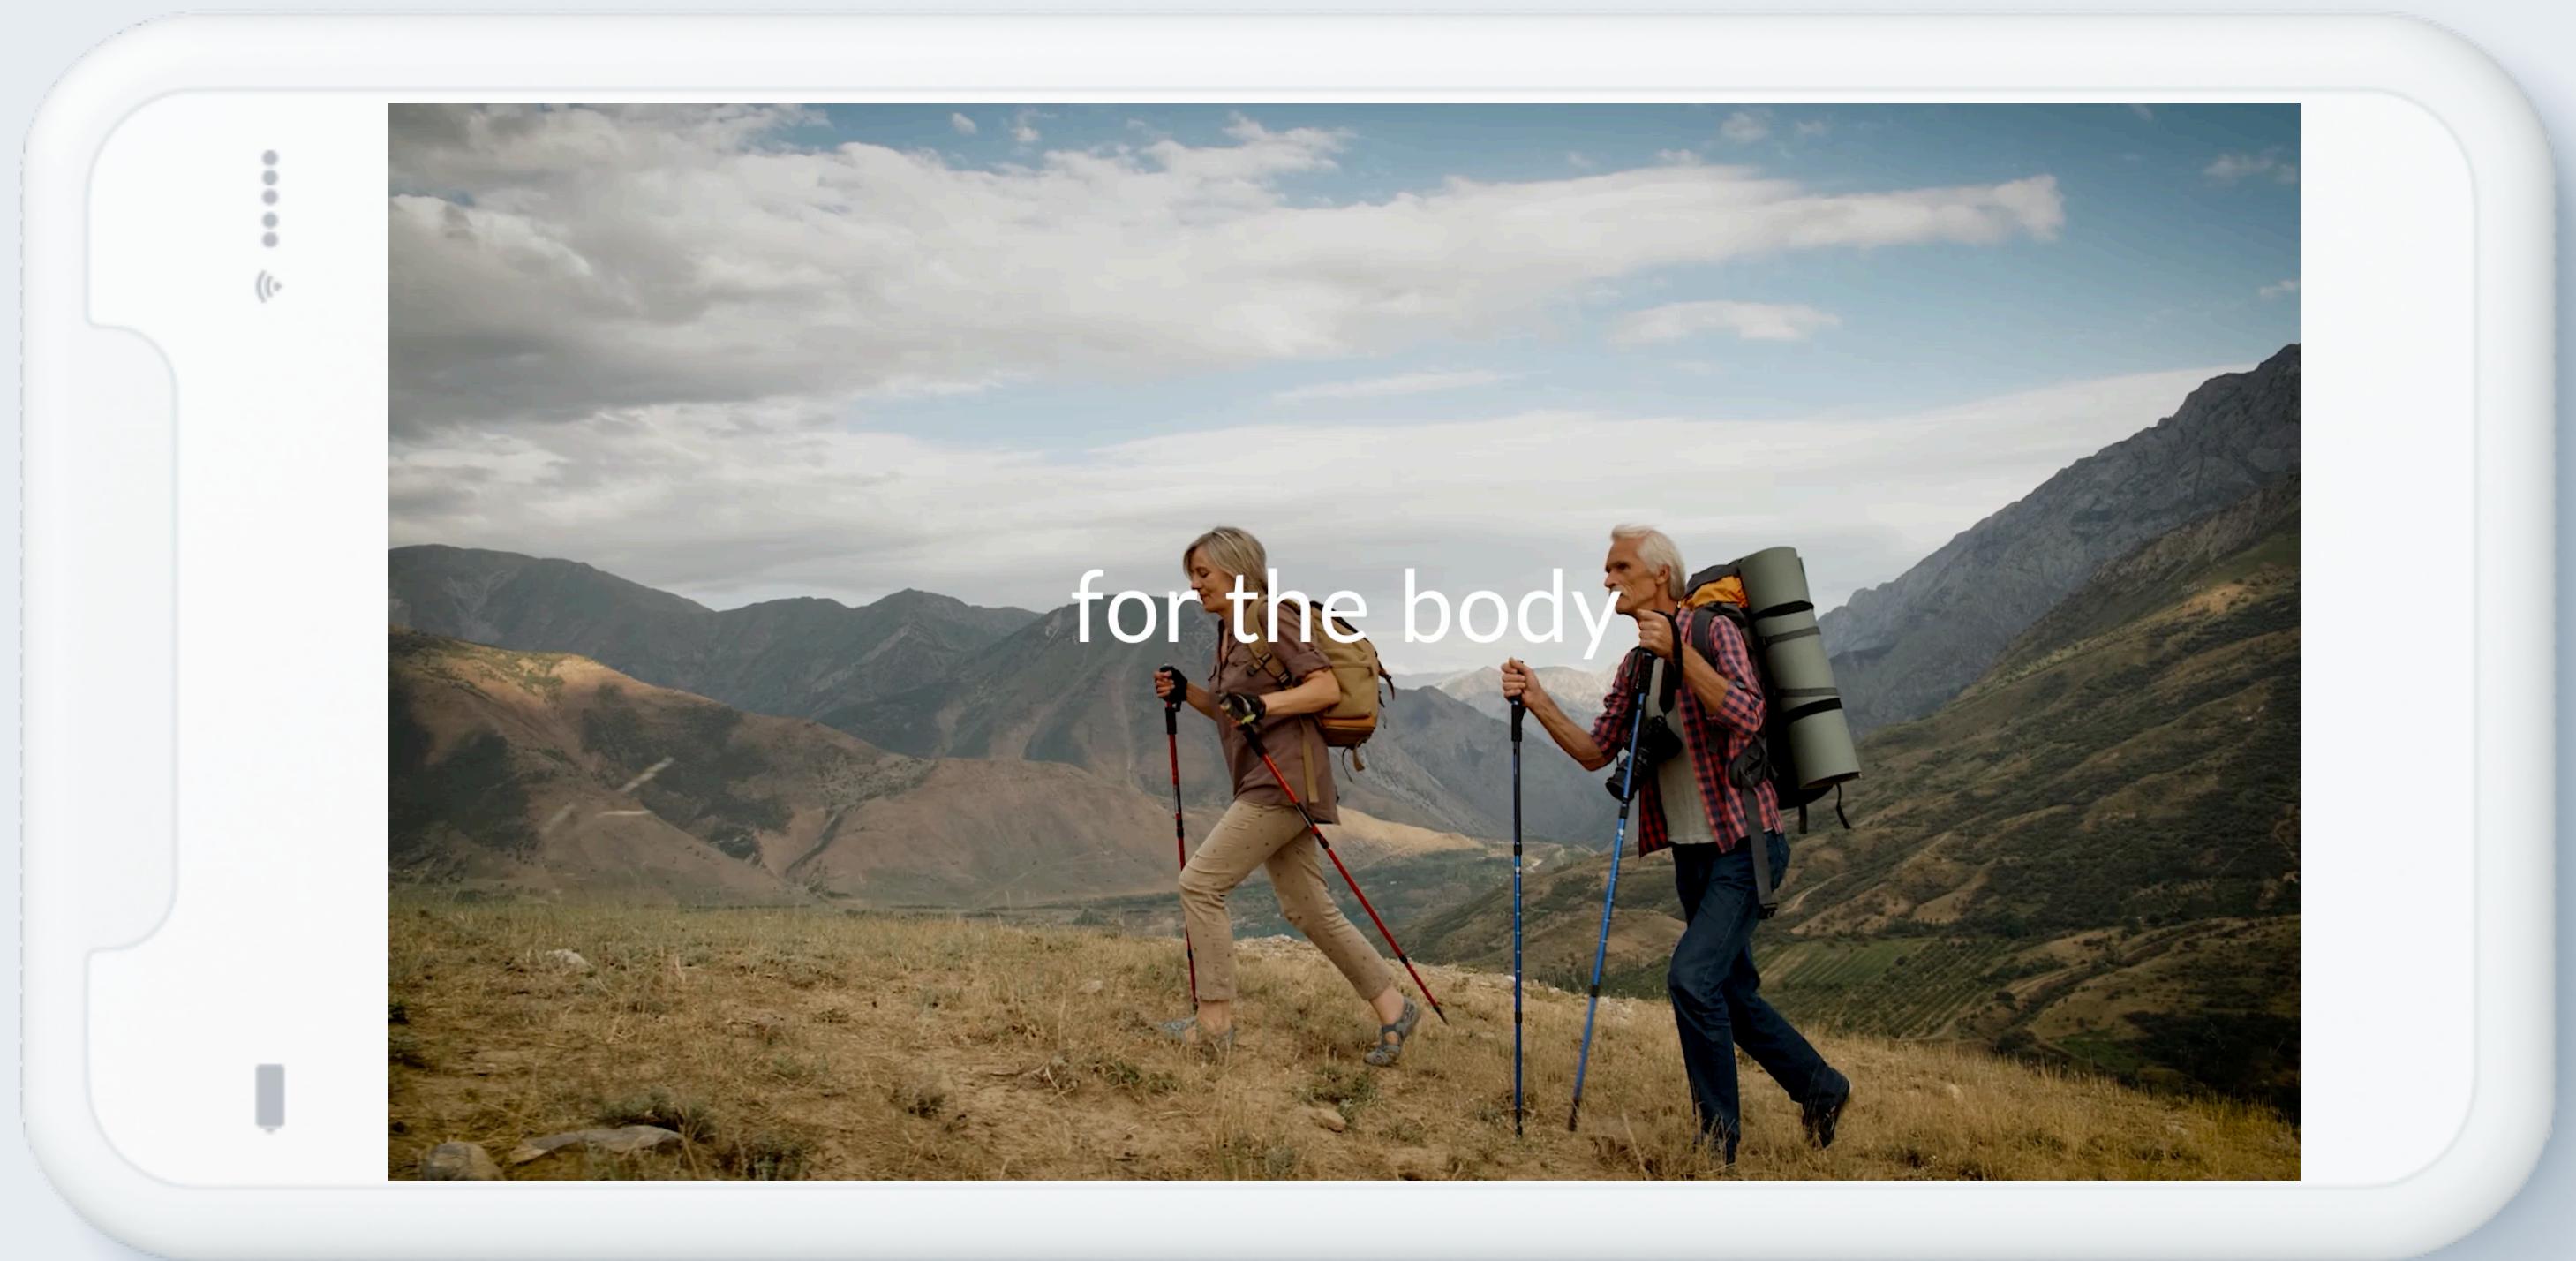

Brand Awareness Video – Stock/Existing Footage

~~\$5,000~~ **\$4,250**

Use-Case

Get your brand and its mission in front of potential new customers by creating an awareness video featuring specially curated existing or stock footage. Custom text animation is added to bring further context and tell your story

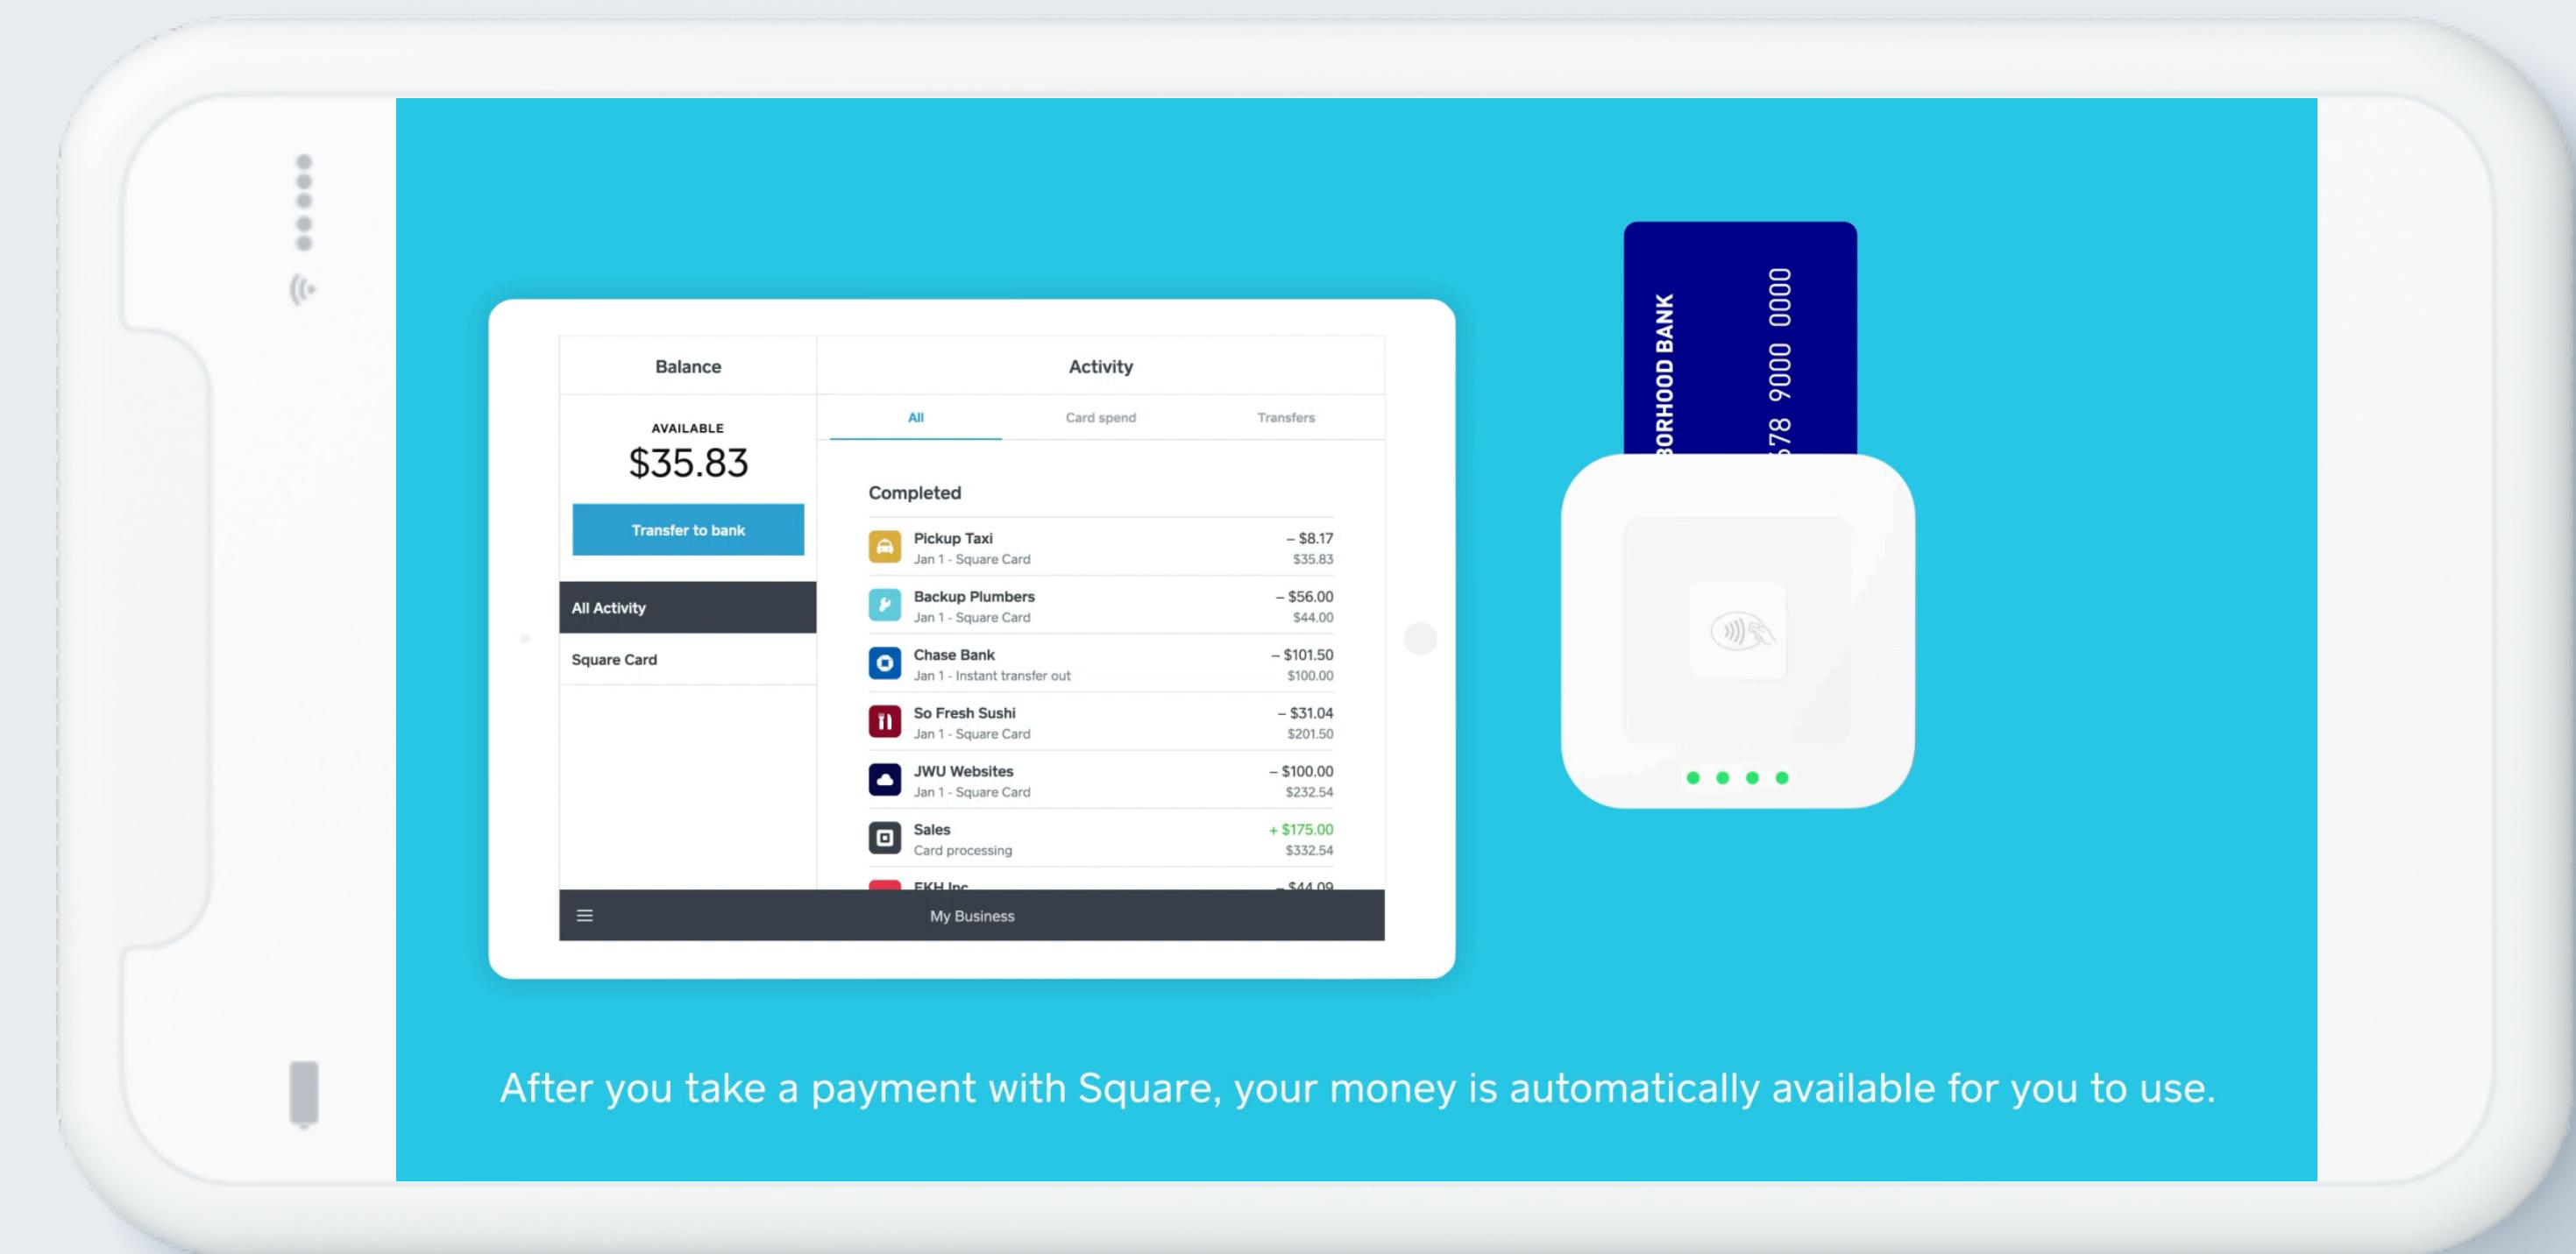

UI Only Walk-Through Product Tutorial

~~\$6,000~~ \$5,100

Use-Case

Keep your audience informed of proper product use to increase LTV and ensure they get the most out of your offering. Great for launching new features / product updates.

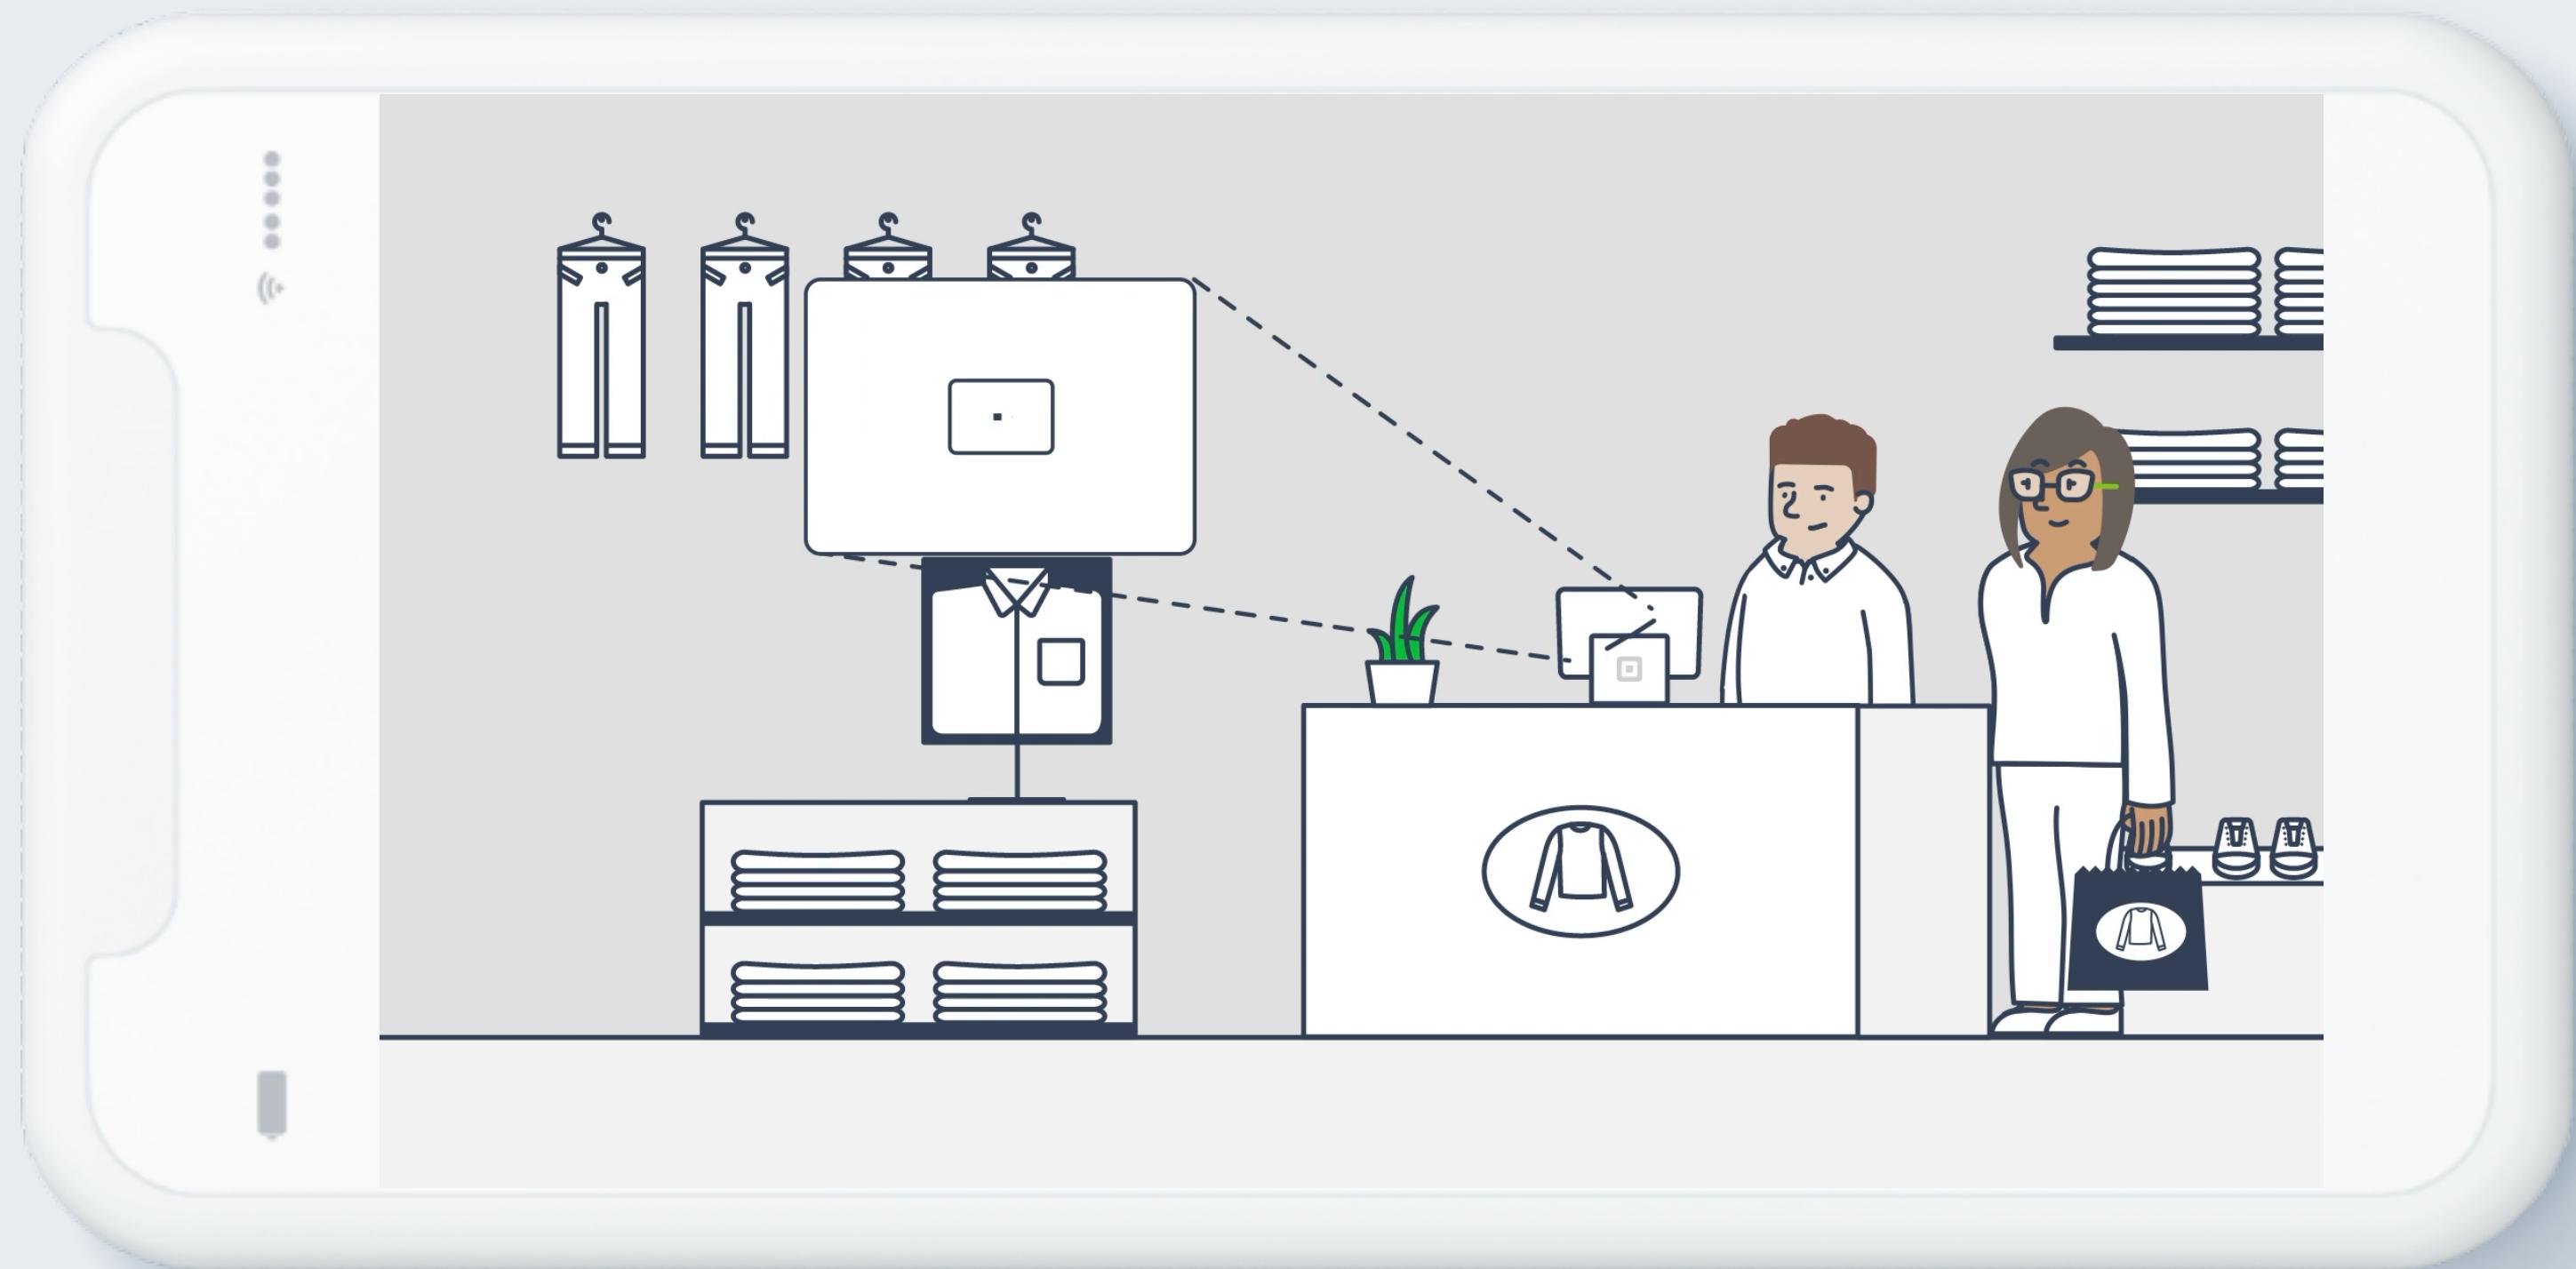

UI Walk-Through (With Contextual 2D Animation) Product Tutorial

~~\$7,500~~ \$6,000

Use-Case

Keep your audience informed of proper product use to increase LTV and ensure they get the most out of your offering. Great for launching new features and product updates, with added animation for an engaging intro/outro.

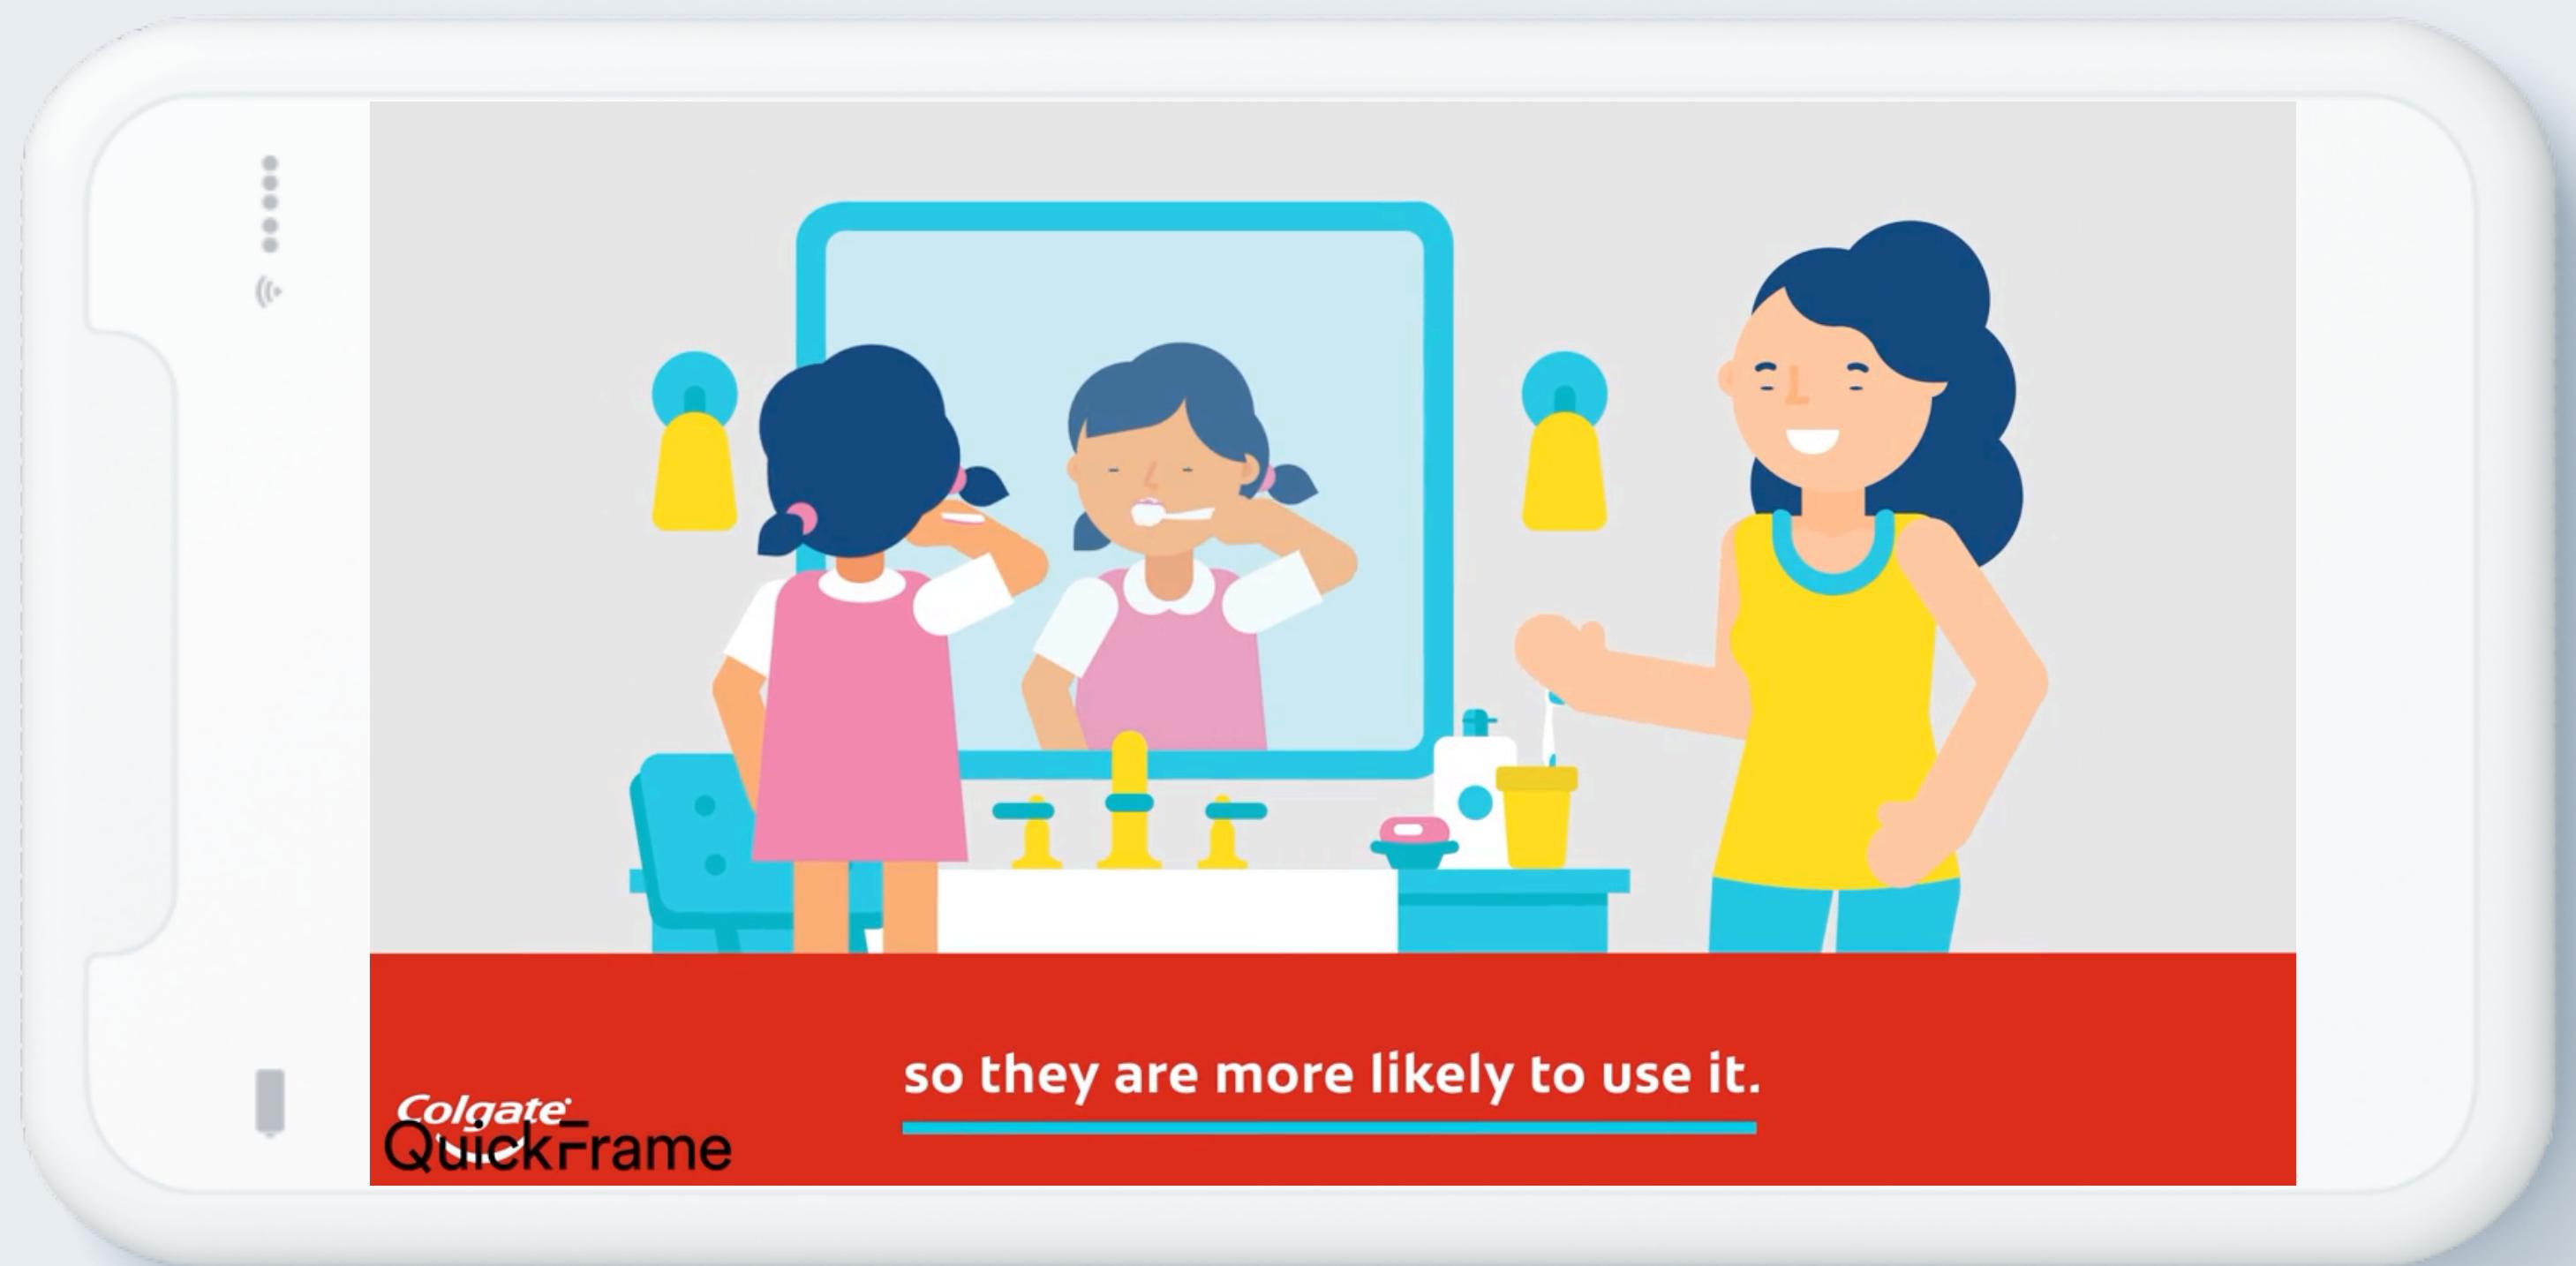

Full 2D Animated Educational Video

~~\$8,500~~ **\$7,225**

Use-Case

Educating your customers/prospects can help drive retention and awareness of your brand. With full 2D Animated Education Tutorials, you can custom create a video your customers will appreciate and learn from. Also great for product tutorials for new products.

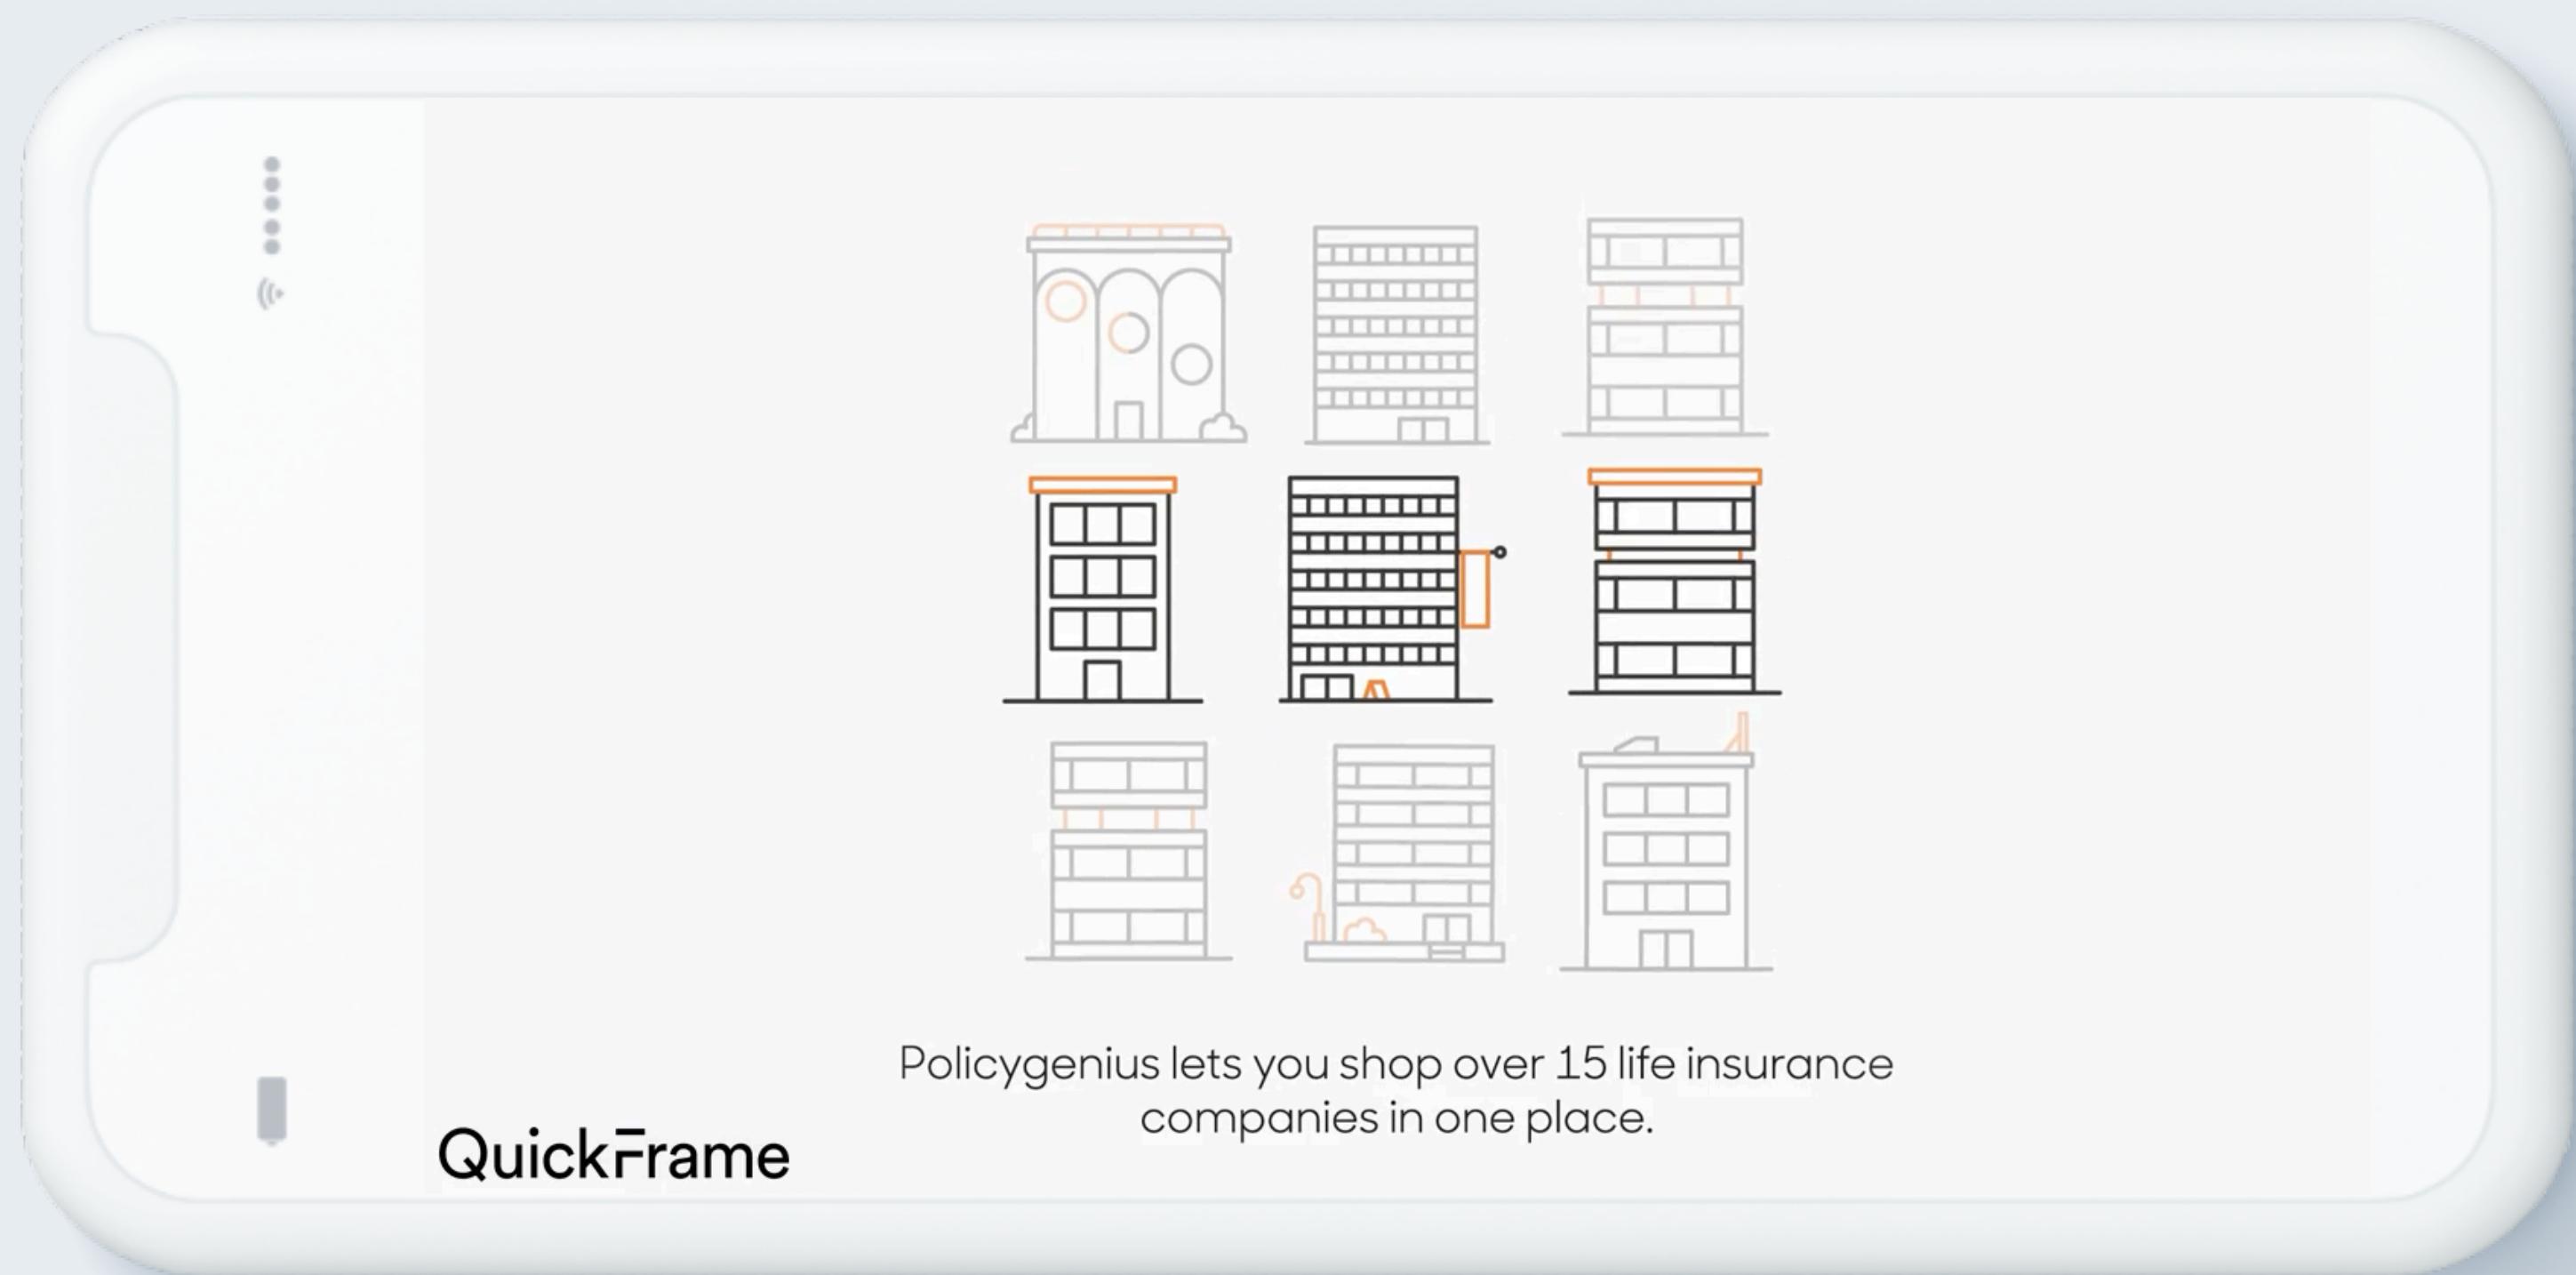

2D Animated Product Explainer

~~\$9,050~~ **\$7,700**

Use-Case

Showcase your product or services to your target audience via a fully animated and precisely designed 2D Animated Explainer. Great for bringing awareness to a new product/service and for educating on your value props.

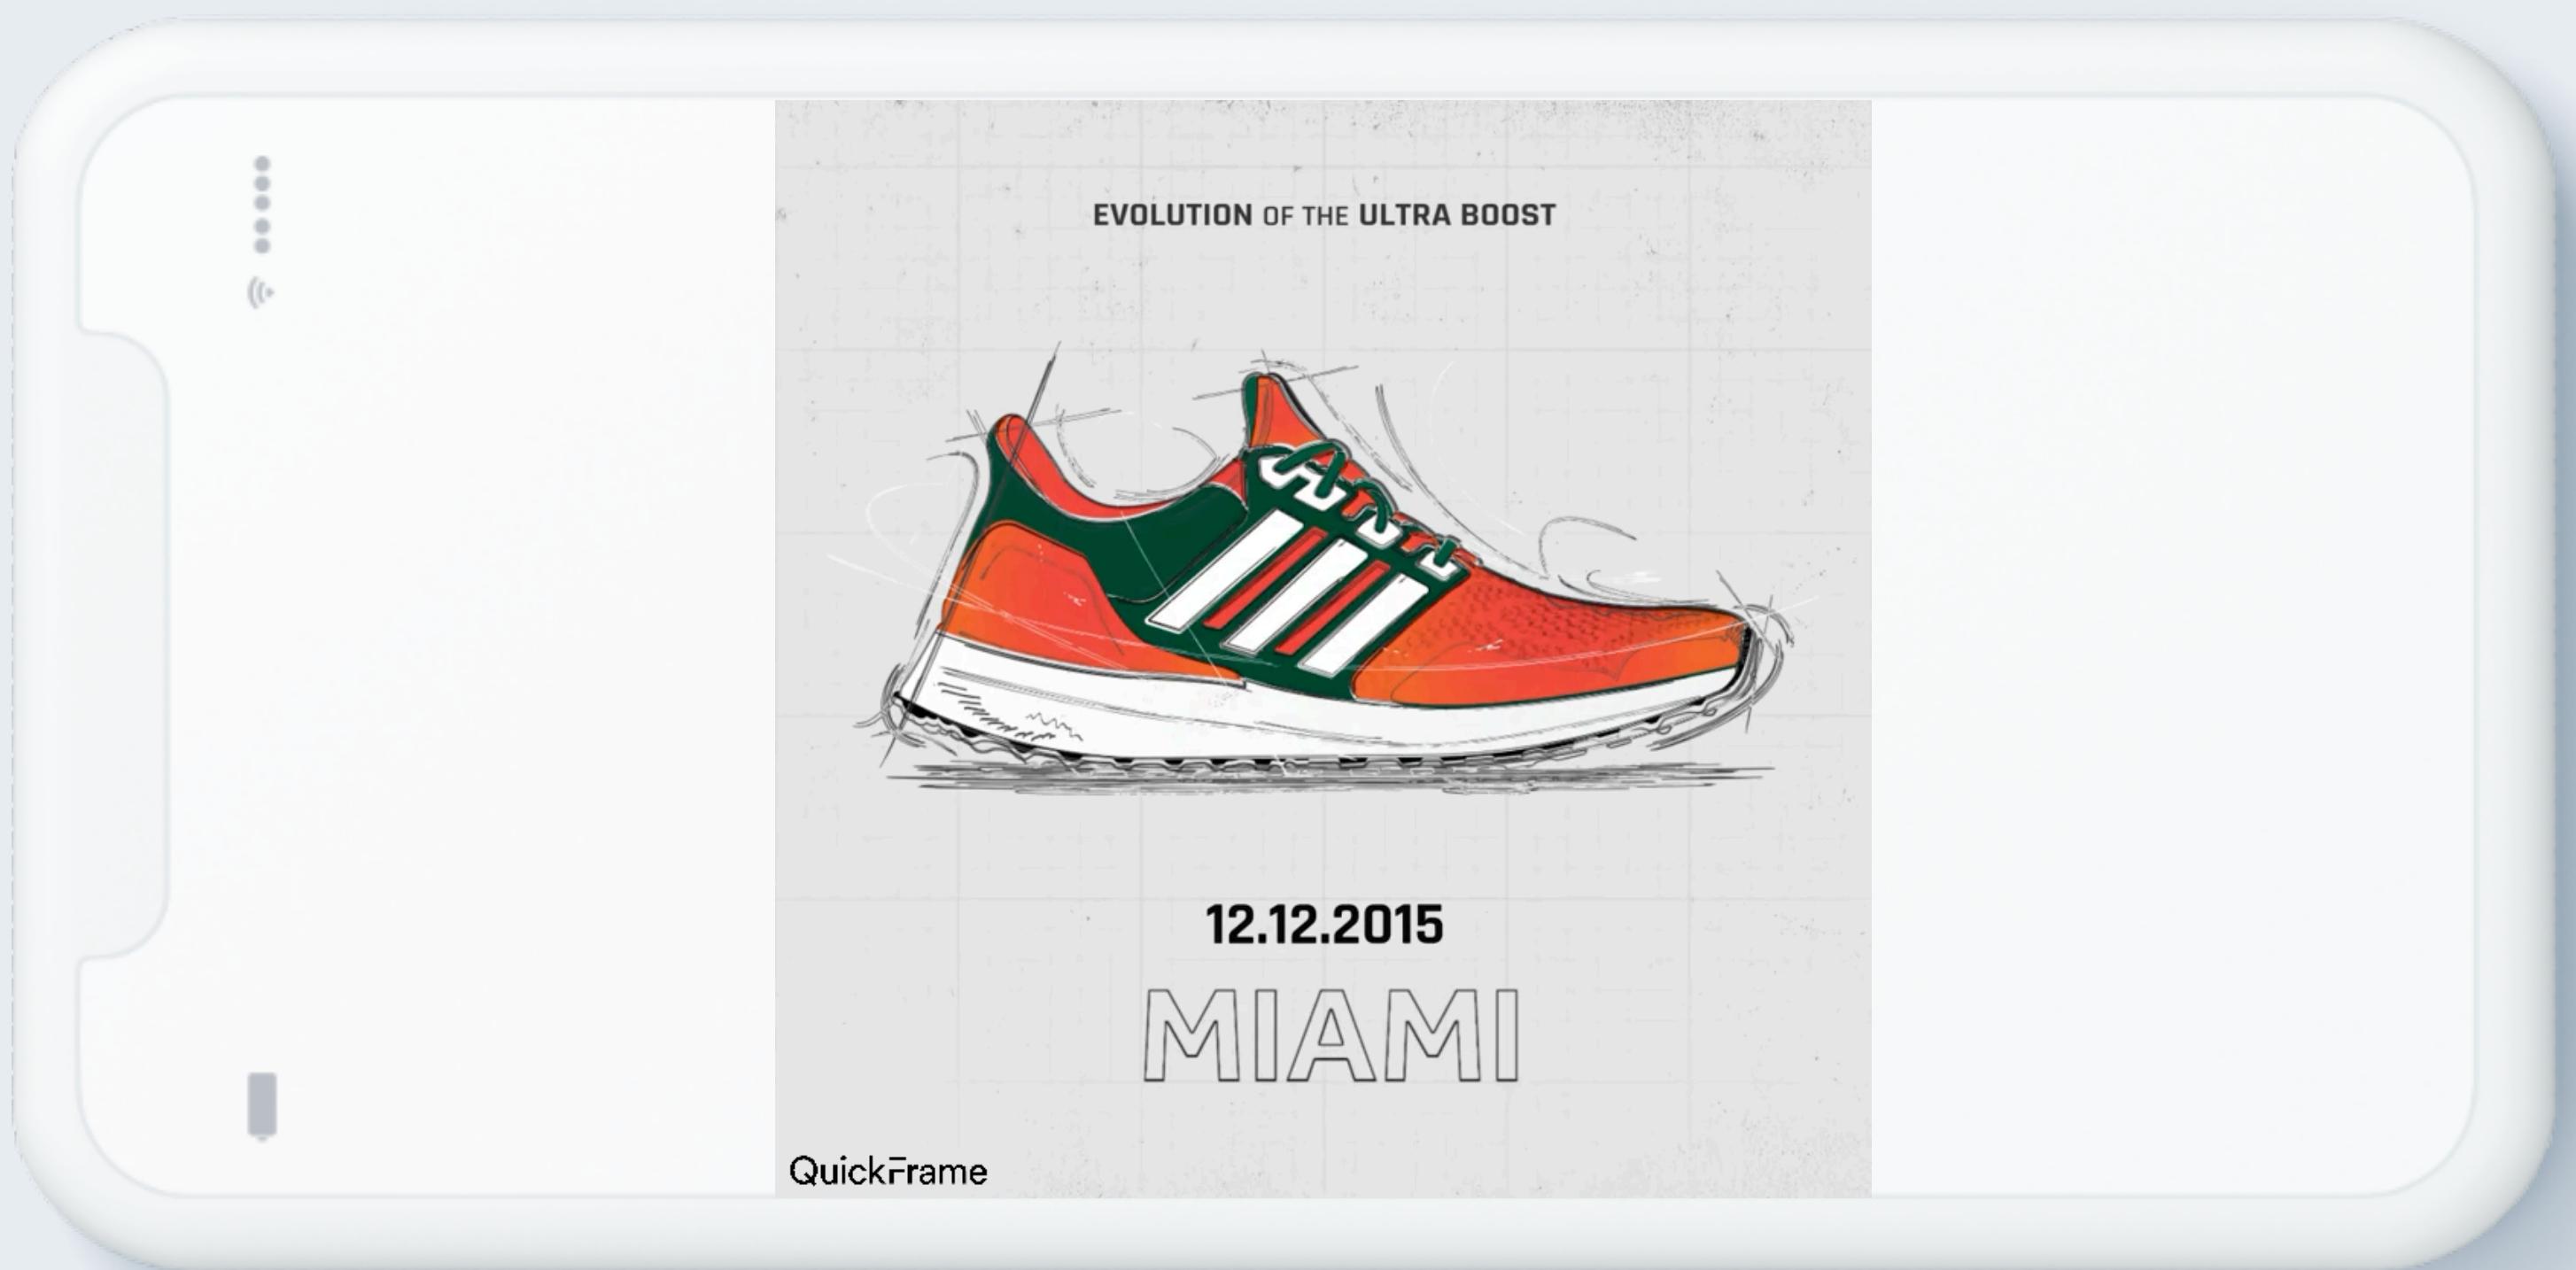

Product Sketch Animation

~~\$9,500~~ **\$8,075**

Use-Case

Have great products? Bring them to life via Sketch Animation that is fully customizable and custom to your brand. Great for launching new products and showcasing full product lines.

3D Animated Product Awareness/DR Video

~~\$15,000~~ **\$12,750**

Use-Case

3D animation can bring your product to life to the fullest extent, without the need for a live action video shoot. Your product will be front and center as additional animation and copy highlights your value props, or directs customers with a CTA.
